Material Safety Data Sheet

Product: A-1 Invisible Stone Patcher Galloy and Van Etten, Inc.

Reactivity Data

Stability: Stable

Conditions to avoid: Moisture or high humidity

Spill or Leak Procedures

In case material is spilled: Sweep up. Avoid dust.

Waste Disposal:

Landfill in accordance with local state and federal regulations.

Special Protection Information

Respiratory Protection: Provide general ventilation if large amounts of material are used and cause dusty conditions. Approved dust mask may be used if desired.

Protective Equipment

Gloves may be desired if using material for extended period. Protective clothing or eye protection is generally not required.

Special Precaution

Avoid water and high humidity conditions. Material will absorb water and harden.
